

Dear Federation Members,

Upon closer inspection of the previously published list of 2019 Pan Am Qualifiers, we found that some of the meets on said document were not approved FINA Pan Am qualifying meets.

Note that the official qualifying meets for both 2018 and 2019 are listed here:

<https://www.fina.org/content/qualifying-events-18-fina-world-championships-2019>

As such we have redone the rankings listing only times achieved at FINA-approved meets. Please see the revised rankings on the 'Resources' page.

Those who are desirous of competing at the Pan Am Games in Lima, should study the page linked-to above to find upcoming qualifying meets in your area.

Note that the first Pan Am/World Championship Qualifier in Jamaica will be the Karl Dalhouse Memorial Invitational scheduled for January 25-27, 2019.

Our apologies for the oversight.

Sincerely,

ASAJ Swim Technical Committee (SWTC)
